

said Helen Russell once, I have said it fifty times this afternoon. I didn't get the cards until this noon.

Now, about myself. Last Saturday a crowd of us went for a tramp of fifteen miles. We walked to Boalsburg 4 miles and then $3\frac{1}{2}$ miles beyond in the mountains. We had a fire and had dinner there. In the evening we went to the dance and I danced every dance but one. I was tired Monday but didn't kick. Thursday, if all is well we are going to walk 10 miles to Stone Valley stay all night and come back the Fourth. Hope to have a good time. To-night I have been to the "movies" and it is now nearly eleven o'clock. Time just flies down here and I am having a lovely time.

To-day in Agriculture we made grafting wax, and examined some clover seed. Yesterday we
